Napa: Ninebark

AvroKo has overhauled Napa's Thomas and Fagiani's Bar to create the new, three-story Ninebark, but perhaps even more impressive than the design is the procurement of acclaimed chef Matthew Lightner, formerly of New York City's star-studded Atera. The menu will draw from the chef's time at Mugaritz, complete with plenty of smoked and grilled seafood dishes. The space is set to open on September 29. *813 Main St.; 707-226-7821; ninebark-napa.com.*
