North Fork Wines

There has never been a better time to drink North Fork wine. Our local list is inspired with pride in our region and pride in our dirt. The wines of the North Fork capture the spirit of the 'New World' which respects tradition but is unafraid to embrace bold change. Well-known grape varieties like Merlot and Chardonnay are grown, however the sandy soil and maritime climate creates dramatically different results to its European counterparts. No longer overlooked, North Fork is making a name for itself.

Global Wines

The global list offers a spectrum of the wine world, ranging from historic European estates, which have laid the groundwork of traditional winemaking, to New World innovators who embrace technology and change. The sparkling and white wines are mineral driven with a freshness that pairs well with the local produce from our farms, while the red wines represent a ripe and earthy style with powerhouse vintages to complement North Fork Table and Inn's wood burning hearth.
