
dell'anima
events & private dining

Welcome to dell'anima

Dell'anima first opened in 2007 in the West Village, quickly becoming a neighborhood favorite. After a successful chapter in Hell's Kitchen, we've returned home to the West Village and we'd be honored to host your next gathering at our table.

Today, dell'anima offers the perfect setting for intimate dinners, team celebrations, and private events.

Full restuarant buyout

For nights that deserve something special, book the entire restaurant, *your own trattoria* in the West Village. Begin your evening with aperitivo at the bar, enjoy a candlelit dinner in the dining room, and end the night with dessert in the semi-private lounge. This option allows you to *make every part of dell'anima your own*.
