HISTORY OF IZZY'S

Inspired by Izzy Gomez, founded by famed restaurateur Sam DuVall, Izzy's is one of San Francisco's oldest and best kept secrets. The like-minded duo are kindred spirits that would be faithful dining companions if they sat across the table in the same era. Both share a devotion to good food, generous portions, an adoration for the arts and an allure for the clandestine.

The original Izzy's was a Barbary Coast saloon defying Prohibition and known for its thick steaks, colorful patrons and bootlegging lore. An avid history buff, and serial restaurateur, Sam re-imagined Izzy's in 1987, resurrecting Gomez's legendary establishment. After all this time, we're still family-owned and have become a San Francisco tradition, even being awarded the City of San Francisco's coveted "Legacy Status." Harboring a host of truths mixed with tall tales, we continue to serve authentic, crave-able dishes that don't pander to trend.
