● Biodynamic ~ Biodynamic wines are Demeter certified or following the principles of Biodynamic farming. Essentially, this particular way of farming is an organic and holistic approach to understanding the vine from soil health to preserving the land for future generations.

▲ Organic ~ Made with organically grown fruit. Grape Growers are organic farming certified or practicing the principles of organic farming.

■ Natural ~ The natural wine we choose for our wine list follows four essential rules: made with organic grapes; minimal intervention from the winemaker; indigenous yeast fermentations; minimal SO_2 treatments.

★ Orange ~ White wines that have extended skin contact. This imbues the wine with texture and color which is derived from the skins of the grapes. Depending on the length of time that wines are left on the skins the resulting color and texture will vary in intensity.

Mary's Sommelier Selections

It is impossible to talk about Hirsch Vineyards and not mention its geographic location. Situated at the extreme edge of the Sonoma Coast within the AVA (American Viticultural Area) of Fort Ross Seaview. Hirsch Vineyards sits high on a coastal ridge where there is no protection from the elements. The San Andreas Faultline was a pivotal part of how this landscape formed.

Perched overlooking the Pacific Ocean there is no protection from the elements. Formerly this land was a wild sheep ranch. David Hirsch, a Beatnik and a Buddhist, discovered this property in the late 70's. Immediately entranced it called to him with promises of a life that was more grounded to the land and ruled by the elements.

Hirsch Vineyards calls Martinelli, Marcassin, Flowers and other highly lauded wineries its neighbors. Family owned and operated with 2nd Generation Jasmine Hirsch at the helm. Jasmine Hirsch is also the winemaker envoking pure chiseled expression of Pinot Noir and Chardonnay. The wines showcase the elements of which they are born.

80.1506 ● **Rosé - Hirsch Vineyards, Estate, Sonoma Coast, CA 2023..... $105**

This biodynamically farmed, high-altitude wine is known for its intense, savory style and "true" coastal character.

21.2002 ● **Pinot Noir - Hirsch Vineyards, Estate, Sonoma Coast, CA 2022.....$210**

50.0020 ■ ● **Benoît Marguet, Brut Nature, Grand Cru, Shaman 21, RM, FR NV.....$180**

~ There is a quiet revolution in Champagne happening when it comes to how the vineyards are farmed. Incrementally, growers and wine makers (sometimes one and the same) are leaving behind conventional farming practices and looking towards sustainibility.

~ Benoît Marguet is one of approximately 150 growers and producers who have adopted biodynamic farming methods. Champagne houses such as Champagne Fleury, Champagne Leclerc Brian, Champagne Larmandier-Bernier and Louis Roederer (over half their estate is farmed biodynamically) are all champions of biodynamic farming.

~ This fantastic Champagne has a core of baked apples and tart citrus. As it opens up expect notes of Marzipan and toasted almond. The finish is long and savory with a touch of saline. A blend of 84% Pinot Noir and 16% Chardonnay sourced from elite Grand Cru parcels in Ambonnay and Bouzy. No added dosage and virtually no added sulfur.

50.0190 ▲ **Benanti, Brut, Metodo Classico, Noblesse, Sicily, IT 2022.....$114**

~ Benanti is a pioneering estate founded in 1988 on Mount Etna, Sicily, by Dr. Giuseppe Benanti, who revived the region's viticulture by championing native grapes. Today, his sons Antonio and Salvino run the family business, which is globally renowned for crafting precise, volcanic-terroir-driven wines.

~ Introduced as a groundbreaking experiment in 2002, the "Noblesse" Metodo Classico is made from 100% indigenous Carricante grapes. The 2022 vintage is sourced from 20- to 60-year-old vines grown at high altitudes of 700 to 850 meters in mineral-rich, volcanic soils, before undergoing secondary bottle fermentation.

~ This pale straw-yellow sparkling wine offers delicate aromas of orange blossom and yellow apple. On the palate, it is dry, elegant, and medium-bodied, featuring a fine mousse, crisp acidity, and a signature stony, mineral-driven finish.

Oregon - Sparkling Rosé - Pinot Noir

81.0280 ● **Soter Vnyds, Brut Rosé, Mineral Springs, Yamhill-Carlton, Willamette Valley, OR 2019..$170**

~ Soter Vineyards is a 250-acre Biodynamic farm and vineyard located in the Yamhill-Carlton AVA of Oregon's Willamette Valley. The estate focuses on respectful farming, ancient marine soils, and cool-climate grape growing. They specialize in nuanced Pinot Noir, Chardonnay, and traditional-method sparkling wines.

~ Tony Soter founded the winery in 1997 after a famous career making wine in Napa Valley. He and his late wife, Michelle, moved to Oregon full-time in 2006 to build Mineral Springs Ranch. Interestingly, their very first bottling in 1997 was a Brut Rosé, establishing a deep house tradition for sparkling wine that continues today.

~ The 2019 Mineral Springs Brut Rosé is a blend of Pinot Noir and Chardonnay aged for three and a half years on the lees. It displays a gentle salmon color with lively, persistent bubbles. The wine offers bright flavors of blood orange, red cherry, and raspberry sorbet, mixed with soft notes of rose petal and subtle minerality on a crisp finish.

~ Calera Wine Company is an acclaimed estate in San Benito County, California, operating as the sole winery within the rugged Mt. Harlan AVA. Perched at 2,200 feet, its gravity-flow facility is named after a historic on-site limestone kiln. This extreme, high-altitude setting exposes organic vineyards to cool maritime winds and rare limestone soils, producing low-yielding, intensely concentrated fruit.

~ The 2018 Calera Mt. Harlan Chardonnay offers a vibrant, crisp expression of this mountain terroir. The nose features white peach, honeysuckle, and sea salt. The palate balances a rich texture of guava and poached pear with a sharp streak of limestone minerality and bright acidity, finishing with elegant notes of toasted brioche.

Chardonnay - Côte-de-Beaune - Meursault

61.0684 ● **Domaine Roulot, 1er Cru Clos de Bouchères, Meursault, FR 2023.....$1,027**

~ Domaine Roulot is a legendary Burgundy estate in Meursault specializing in world-class, mineral-driven Chardonnays. Winemaker Jean-Marc Roulot uses minimal new oak to prioritize purity, precision, and terroir expression. His unmatched ability to capture the unique identity of individual parcels has earned him a reputation as the definitive master of Meursault.

~ The estate dates to the 1930s, gaining fame under Guy Roulot before his son Jean-Marc took over in 1989. In 2011, the family acquired the iconic 1.38-hectare monopoly site, Clos des Bouchères, known for its shallow, stony limestone soils.

~ The 2023 vintage offers vibrant aromas of white flowers, orange zest, and nutmeg. The palate is sleek and precise with electric acidity, finishing with a long, chalky, and intensely saline edge. This combination of structural tension and concentrated fruit ensures the wine will evolve beautifully in the cellar for decades.

70.0735 ▲ **Domaine Maurice Martin, Gentilhommes, Mâcon-Pérrone, FR 2022.....$72**

~ Domaine Maurice Martin is a respected producer in Burgundy's Mâconnais region, France. The winery focuses on authentic, terroir-driven Chardonnays. Their "Les Gentilhommes" Mâcon-Péronne is a single-vineyard white wine. It is sourced from 40-year-old vines grown in the limestone-rich soils of Péronne.

~ The winery was founded in 1974 by Maurice Martin. He broke tradition by estate-bottling his wines instead of selling grapes to cooperatives. Today, his sons, Richard and Stéphane Martin, manage the estate alongside their neighboring Domaine de la Croix Senaillet. The current label is an exact historical replica of the original 1974 packaging.

~ The 2022 "Les Gentilhommes" Mâcon-Péronne displays a bright golden hue with green reflections. The nose features expressive stone fruits, citrus, lilac, and subtle wildflower honey. Partially aged in French oak barrels, the palate is full-bodied and well-balanced. It finishes with crisp acidity and mineral tension.

~ Famille Joly's Clos de la Coulée de Serrant is a legendary 7-hectare monopole in Savennières, Loire Valley. It is its own dedicated AOC. Nicolas Joly and his daughter Virginie farm this steep, schist-soiled property using strict biodynamic methods. They exclude all chemicals and use horses for plowing to fully honor the terroir.

~ Cistercian monks established the vineyard in 1130. They built a monastery that remains a historic monument today. Celebrated by French kings Louis XI and Louis XIV, the estate was acquired by the Joly family in 1977. It has since become a global beacon for natural and biodynamic viticulture.

~ This 100% Chenin Blanc opens with intense aromas of quince, honeyed apricot, chamomile, and struck flint. The palate is powerful, concentrated, and viscous. It balances rich, ripe fruit with a vibrant, racing acidity. This structure gives the wine incredible tension and legendary aging potential.

~ Located in the lower Mittelmosel, Weingut Clemens Busch is a historic, fifth-generation estate dating to 1802. Led by Clemens, Rita, and Johannes Busch, the family pioneered organic and biodynamic viticulture in Germany, converting in 1976.

~ They manually farm old, un-grafted vines on the steep slopes of the Pündericher Marienburg vineyard. In the cellar, they use a low-intervention approach, fermenting separate parcels with wild yeasts in traditional 1,000-liter oak Fuder casks. This process highlights the site's distinct micro-terroirs and diverse slate soils.

~ The 2017 Marienburg Fahrlay GG is an exceptional, bone-dry German Grand Cru Riesling from ancient vines on blue slate soil. The nose features grapefruit zest, smoky flint, and ginger, while the full-bodied palate balances electric acidity with a savory, herbal grip. It finishes with immense power, structure, and a lingering, saline minerality.

20.1989 **Domaine Louis Boillot, Vieilles Vignes, Moulin-à-Vent, FR 2022.....$80**

~ Domaine Louis Boillot is a celebrated Burgundy estate in Chambolle-Musigny that applies classic, low-intervention winemaking to exceptional old-vine parcels. Run by Louis and his son Clément, the domain focuses on sustainable farming, gentle extractions, and minimal new oak. This meticulous approach produces transparent, elegant wines that express the unique characteristics of their specific terroirs.

~ Louis Boillot established his independent label in 2003 after separating from his family's historic estate, Domaine Lucien Boillot. He operates out of shared cellars with his partner, winemaker Ghislaine Barthod, focusing on extremely old, low-yielding vines. In 2013, the family expanded south into Beaujolais, acquiring choice historical plots in Moulin-à-Vent to craft structured, age-worthy cru wines.

~ The 2022 Vieilles Vignes Moulin-à-Vent delivers a finely sculpted expression of Gamay with remarkable, Pinot Noir-like finesse. The nose opens with aromas of smoky cherries, tart cranberries, wild blueberries, and subtle earth. On the palate, the wine is vibrant and sleek, featuring dense dark fruit, fine-grained tannins, and a long, mineral-driven finish.

Spain – Priorat – Garnatxa Blend ~ Grenache

30.2760 ▲ **Álvaro Palacios, Finca Dofi, Priorat, SP 2021.....$217**

~ Álvaro Palacios is a legendary producer who revolutionized Spain's rugged Priorat region in the late 1980s. Often thought of as the Châteauneuf-du-Pape of Spain due to its powerful, Garnacha-dominant blends and stony terrain, Priorat was transformed by Palacios's focus on resurrecting ancient, steep vineyards. Today, his estate is a global benchmark for sustainable farming and terroir-driven Spanish wine.

~ Finca Dofí was Palacios's original 10-hectare vineyard acquisition in 1990, featuring steep terraces of unique llicorella slate soils. Over time, he eliminated international varieties to focus on authentic, organically farmed native grapes. The 2021 vintage highlights this evolution, blending roughly 90% Garnacha with Cariñena and local white varieties.

~ The 2021 Finca Dofí delivers intense aromas of crushed raspberries, wild herbs, and wet slate mineral notes. The palate is vibrant and elegant, balancing silky tannins with bright acidity, red fruit flavors, and a long, graphite-driven finish. It offers remarkable purity, tension, and freshness.

~ The 2019 Cabernet Sauvignon opens with aromatic notes of lilac, dried sage, and graphite. Far from an opulent, lavishly oaked Napa Cabernet, the palate delivers rich wild mountain berries, vibrant acidity, firm tannins, and an iron-laced minerality built for long-term cellaring.

BORDEAUX FAMILY REDS ~ EUROPE

40.3620 ▲ **Tenuta Sette Cieli, Indaco, Tuscany, IT 2018.....$134**

~ Tenuta Sette Cieli ("Estate of the Seven Skies") is a boutique winery located 400 meters high in Monteverdi Marittimo, Tuscany, overlooking the Bolgheri coast. This high-altitude terroir features cooling sea breezes and intense diurnal temperature shifts. These unique conditions allow Bordeaux grape varieties to develop thick skins, deep concentration, and vibrant minerality.

~ Founded in 1994 by Erika Ratti, the estate began planting its high-density terraced vineyards in 2001. Today, the Ratti family practices organic farming and meticulous hand-harvesting across small, specialized parcels. Their signature red blend, Indaco ("indigo"), combines Malbec, Cabernet Sauvignon, and Merlot to reflect the unique microclimate of the estate.

~ The 2018 Indaco is a rich, structured red wine aged for 18 months in French oak. The nose delivers aromas of dark chocolate, leather, and graphite mixed with macerated black cherries. On the palate, it is polished and soft, offering dusty tannins, sweet spices, and a fresh, persistent finish.

40.3750 ▲ **Remelluri, Reserva, SP 2008 .....$145**

~ Granja Nuestra Señora de Remelluri is a pioneering single-estate winery in Rioja Alavesa, Spain. Led by Telmo Rodríguez, the organic estate sits high in the Sierra de Toloño mountains. It is celebrated for its low-intervention "mountain Rioja" style, prioritizing terroir over industrial blending.

~ The property dates to the 10th century and was later a monastic farm producing wine by 1596. Purchased by Jaime Rodríguez Salís in 1967, the estate released its inaugural 1971 vintage. This marked the very first modern Rioja wine bottled exclusively from a single, château-style estate.

~ The Remelluri Reserva 2008—a blend of Tempranillo, Garnacha, and Graciano—presents a mature ruby color with complex aromas of dark cherry, tobacco, leather, and balsamic herbs. The palate is medium-bodied and savory, driven by vibrant acidity and fine, well-integrated tannins. Aged in oak barrels and heavily cellared, it finishes long and balanced with lingering notes of licorice and subtle spice.

~ The Giacomo Conterno winery is a legendary Piedmont estate famous for ultra-traditional, age-worthy Barolo. Founded in the early 20th century, the winery is now run by third-generation winemaker Roberto Conterno. He maintains classic, meticulous methods like long aging in large Slavonian oak casks.

~ The historic Arione vineyard, located in Serralunga d'Alba, features limestone-clay soils that yield a powerful yet refined structure. Roberto Conterno acquired this prized cru in 2015 to expand the estate's elite holdings. The site naturally produces Nebbiolo with muscular depth, vibrant aromatic lift, and intense minerality.

~ The 2021 Barolo Arione opens with aromas of dark cherry, dried rose petal, mint, and blood orange. The palate is framed by vibrant acidity and firm tannins over a core of red fruit and graphite. It delivers a deeply structural balance with a long, savory finish.
