Quality Eats

Michael Stillman, known for Quality Meats, Quality Italian and Park Avenue Seasons, has opened a casual downtown steakhouse featuring affordable, lesser-known cuts of meat priced $19-$29. Steaks will include the Bavette Cut, Top Sirloin- Culotte and Long-Bone Short Rib Steak. Starters, sides and seafood are all available as well and a unique dessert menu --This Sh*t Is Bananas sundae! -- encourages leaving room for sweets.19 Greenwich Ave., 212-337-9988, QualityEats.com
