**Italiano** *Tipopils* Pils, Lurago Marinone, Lombardia 12oz 6% 14
The mother of Italian-style Pilseners. A timeless classic, the reinvention of a traditional style, the Birrificio Italiano way. Born in 1996, the first-ever dry-hopped Pilsener. It has a rather dry, hoppy flavor. After a long primary fermentation, it undergoes a short maturation phase of about 2 weeks.

**Extraomnes** *Zest* Dry Hopped Blonde Ale, Varese, Lombardia 5.3% 13 oz 23
Golden in appearance with green hues and a white, compact, persistent head.
An intense nose of Orange blossom, pronounced hints of yellow fruit and citrus.
A delicate hop spicyness and a light body due to the absence of residual sugar.

**Montegioco** *Quarta Runa* Ale brewed with Peach, Al, Italy 25oz 7% 50
Quarta Runa is a bright, hazy orange golden ale brewed with fresh local Volpedo peaches. The peaches are added during fermentation. The aroma is light and fresh with scents of peaches and yeast.

**Torrechiara "Panil"** *Barriquée* Oud Bruin, Parma, Italia 16oz 6.5% 36
Barriquée is a hazy, golden-amber color Red Flanders Ale, vinous with bright aromas of citrus and tree fruit balanced with savory and earthier tones. A remarkably complex beer with high acidity and intense flavors of rhubarb, grapefruit and notes of cedar and sweet spice, leading into a very long finish.
Barriquée is an all-natural, traditionally-made example of an Oud Bruin. It is triple fermented, and aged in Cognac and Bordeaux barrels, this beer is sour, unpasteurized and unfiltered.

**Italiano** *Scires* 2006 Wild Ale, Lurago Marinone, Lombardia 25oz 7.5% 75
Wild Farmhouse Ale co-fermented with "Durone di Vignola" cherries and aged in barbera wine barrels.
Scires has bright aromas of black cherries and brett, with earthier tones from the fermentation in barrel. A Sour beer with intense cherry flavors and slightly vinous with remarkable presence and complexity due to it's extended aging and bottle conditioning.

**Drie Fonteinen** *Cuvée Armand & Gaston* 2018 12.7oz 6.9% 25
Oude Geuze Beersel, Belgium
The only remaining traditional geuze blender in Belgium, using only 100 percent spontaneously fermented lambik beer, aged in oak casks, with no artificial sweeteners or other additives.
This particular Cuvée has been blended with lambics from seven different barrels and originating from eleven different brews, aged in oak, bottle fermented, unfiltered, and unpasteurized
