VUELOS

(loz tasting sample of three varieties)

BLANCO

choose three blancos 28

Young tequila un-aged and in its "purest" form known for bright and peppery flavors

REPOSADO

choose three reposados 31

Most tequila enjoyed in Mexico is "rested" between 2-12 months. these tequilas exhibit enhanced complexity while still staying true to the flavors of roasted maguey

AÑEJO

choose three añejos 35

"Aged" tequilas have an underlying essence of maguey but more closely resemble other aged spirits the longer they are aged within the range of 1-3 years.

VERTICAL

choose a blanco, reposado & añejo 32

Experience the arch of tequila as it ages. We recommend sticking within one NOM to isolate the effects of aging the same "mother" spirit
