

## GENERAL INFORMATION

Montgomery Inn provides heavy-duty paper plates, napkins, plastic ware, serving utensils, bibs and wet naps for all caterings and deliveries. For delivery or pick-up, the food is packaged in bulk, ("buffet-style") and sent in throwaway foil containers for your convenience. We will arrive approximately 15 minutes prior to your scheduled serve time for a delivery with the food fresh, hot and ready to serve. We will assist you with set up, and although we do not provide chafing dishes for deliveries, we do have them for sale for \$25 each, including 2 cans of sterno and a foil water pan. If you choose full service catering, we will arrive approximately 45 minutes prior to your scheduled serve time. In addition to paper and plastic ware we will provide buffet tables, chafing dishes, sterno and linen for our buffet tables. We will serve your guests as they come through the buffet line and provide general clean up after the meal.
