### 2023 SURCHARGE

Our restaurants have been operating  
with extraordinary increases in the  
cost of doing business. High inflation,  
rising wages and supply chain  
challenges have continued beyond the  
pandemic creating a difficult operating  
environment. We have reluctantly  
chosen to implement a separate 3.75%  
fee for 2023 with the hope that it can be  
eliminated in the future as conditions  
improve. We appreciate your support  
and understanding.
