## East Somerville Market #ESomMarket

The #ESomMarket is a monthly market in Somerville featuring local makers, artists, and small businesses. Since 2015, our mission has been to support these communities by providing a space for people to show their work, and to connect with one another.

*#shoplocal, #shopsmall, and #eatbrunchbuystuff!*

We run the E-Som Market once a month, and feature a special lineup of local vendors focusing on locally produced products of all kinds.
