

catering to your every need

Epicurean Events brings Epicurean Group's (dell'anima, L'Artusi, Anfora, L'Apicio) warm approach and expertise to your corporate or private event.

Beginning with comforting Italian dishes, we craft catering menus inspired by a range of nostalgic, home-grown cuisines that renew the feeling of gathering around the table.

As a **full-service event planning company**, we can assist with all aspects of planning and executing your event of any size. Our seasoned catering team is here to support you with:

- ***custom menus & bar packages***
- ***venue search***
- ***staffing***
- ***event décor***

Epicurean Events curated a fabulous meal for close to 600 members at our last charity event. The team created an amazing menu, and were prompt and professional throughout the entire process. On the day of the event, they couldn't have been better; the food and service were all top notch.
