ENTERTAINMENT INDUSTRY EVENTS AT FELLOW

Fellow provides elevated in-house cuisine, exceptional craft cocktails, and extensive event services in an iconic setting in the heart of Westwood village. With 5,700 square feet of beautifully renovated, historic space accommodating up to 650 guests, it's the perfect venue solution for movie premieres and large events.

Fellow is located in a 1930s-era building with classic architectural elements, making it a breathtaking backdrop for events. The main dining room, with 30-foot high hand painted bow-truss ceilings and exposed brick, is an excellent setting for cocktail parties and large seated dinners. Additional spaces, from the upstairs Mezzanine and Respite Room to the adjoining Galerie, turn the restaurant-bar into a fully equipped venue for events of all sizes.

Paired with this unique space, Fellow's event services tailor the cuisine, drinks, and service style to each event's needs. Events Director Jenn Laskey coordinates beverage service and menus from our extensive culinary portfolio. Our experienced in-house service team can execute a variety of service styles including passed appetizers, buffets, and seated tasting menus. Rental equipment, VIP services, music, and more can be added on for a truly customized experience.
