AUBERT 'POWDER HOUSE'

Sonoma Coast | Chardonnay

305

Powder House is the culmination of Mark Aubert's 30+ years producing Chardonnay. Planted with one of our rarest Chardonnay clones, Powder House highlights the distinct, powdery Goldridge soils on this hilly site

Powder House effortlessly balances intense, driving minerality and tension with rich citrus and pome fruit character.

The ancient seabed on which these vines are planted is transmitted through the wine into a powdered seashell and slate minerality that is counterbalanced by rich tart au citron and white nectarine oils. Heady orange blossom and lilac aromas unfurl with time, and a phenolic streak and crunchy acidity form a textural counterpoint to the natural sweetness presented by the vintage. Enjoyable today, the powerful structure of this wine will carry for 10 to 15 years in the cellar with ease. The wine is slightly hazy showing the commitment to minimal intervention winemaking.

Clos Cibonne 'Tibouren' Cru Classé Côtes de Provence 2021 100

This is a historic Domaine in the Côtes de Provence producing exceptional Rosés aged an additional year under a veil of surface yeast called “fleurette.” Like an unconventional, French answer to the long-aged Rosés of Lopez de Heredia, the Rosés of Clos Cibonne offer a savory, spiciness on the nose and full, silken texture on the palate that is unique and transcendent of the category. The wines are based on the rare local grape variety Tibouren, and can be cellared for up to three decades.

AMERICAN RED WINE

PINOT NOIR

KEN WRIGHT CELLARS
WILLAMETTE VALLEY
2023 80

The outcome of millions of years of geography and volcanic activity, Willamette Valley is one of the finest Pinot Noir growing regions in the world. Look for fresh red and blue fruits with savory notes of leather, cola & baking spices.

KEN WRIGHT CELLARS
SHEA VINEYARD
2022 155

The Shea Vineyard extends an invitation to honeycrisp apples before turning to raspberries & tart cherries. Warm notes of baking spices with cinnamon, cardamom and anise flow through before finishing with notes of warm milk-chocolate

KEN WRIGHT CELLARS
SAVOYA VINEYARD
2022 155

The Savoya Vineyard opens with elegant red fruits of raspberries, red plum & cranberries. Floral notes follow the fruits as notes of rose petal, violet and geranium rise up to meet the fruits.

KEN WRIGHT CELLARS
GUADALUPE VINEYARD
2023 165

The Guadalupe Vineyard has a deep core of plum and raspberry with a delicate complement of aromas of lilac, hyacinth & fresh linens. Perhaps the silkiest touch to all of the vineyards with velvety tannins to coat the palate.

CABERNET SAUVIGNON

CADE

HOWELL MOUNTAIN
CABERNET SAUVIGNON

2021 295

Situated at an elevation of 1,700 feet, CADE's 54-acre Estate Vineyard experiences a unique interplay of climatic factors. The iron-rich soil teeming with volcanic ash grants our grapes an unparalleled complexity. Elevated above the fog layer, our vines revel in longer hang times and temperature inversions that offer warm nights and cooler days. This idiosyncratic microclimate allows us to craft wines that are compelling in both taste and structure.

Beyond the sheer beauty of the Estate lies a steadfast commitment to organic farming.

We view it as a pledge to environmental stewardship and an essential framework for producing wines that reflect the purity of their origins. Beyond foregoing synthetic fertilizers and insecticides, our approach includes composting and manure applications to enrich our soil. This creates a thriving ecosystem around our vines, enhancing both resilience and grape quality. While organic farming may entail higher costs upfront, the long-term benefits to the land and the caliber of our wines are immeasurable. The CCOF Certification isn't just a stamp of approval; it's an emblem of CADE's enduring respect for the land.

BOUCHARD PÈRE & FILS BEAUNE DU CHÂTEAU 2021 115

Bouchard Père & Fils has been producing the Beaune du Château cuvée since 1907, an exclusive representation of the houses 17 Premier Cru vineyards from across the Côte de Beaune. When the vineyards are vinified separately, the differences in terroir are put on display from across the region, but when vinified collectively, the terroirs are chosen specifically for their complementary qualities for a harmonious and deep palate and complex bouquets to feature jammy red fruits, figs, peonies and hints of chocolate. The subtle silkiness pairs best with poultry and white cream sauces.

CHATEAU ANSEILLAN
'BY LAFITE - ROTHSCHILD'
PAUILLIAC
2018 270

With the 2018 vintage of Anseillan, Château Lafite Rothschild has introduced its first new wine since the creation of Carruades de Lafite in the late 19th century. A blend of 48 percent Merlot, 39 percent Cabernet Sauvignon and 13 percent Petit Verdot, this first release of Anseillan du Château Lafite Rothschild is the result of a project that began in 2014. Named for a 16th century hamlet that has been part of the Lafite estate since it was fully assembled by Baron Elie de Rothschild in 1970.

“The initiation of the project dates back to 2014, during a blending session for the Lafite team. It started out slowly, at first making just a few hundred magnums every year,” Saskia de Rothschild, DBR Lafite’s executive chairwoman explained. “We waited to see how those bottles evolved. In 2021, we tasted all the trials we had produced for every past vintage and found there was something there. That’s when the team decided to release this wine with the vintage 2018.” By no small coincidence, the Rothschild family also celebrated the 150th anniversary of their acquisition of Château Lafite in 2018.

The Anseillan vineyards surround the hamlet, which can be viewed from the windows of the Lafite Rothschild chateau, which is illustrated on the stripped-down two-tone label. Since taking on the role of executive chairwoman in 2018, one of Saskia de Rothschild’s main initiatives has been to eventually convert all the domain’s vineyards to organic and biodynamic.

BODEGAS ATALAYA
'ALAYA TIERRA'
ALMANSA
2019 90

Earth, underbrush, and mineral notes along with brooding black fruits conform this wine's inviting bouquet. Dense and layered. Its 16% alcohol is in balance with the wine's strapping personality and helps provide for a silky texture and a finish with no hard edges.

Bodegas Atalaya was founded in 2007 by the Gil Family in Jumilla.

The prominent grape variety in Almansa is Garnacha Tintorera –Alicante Bouschet– along with Monastrell. The Alaya Tierra is 100% Garnacha Tintorera sourced from 50-year-old vines planted around 1000 metres – 3280 feet above sea level and aged for 15 months in new French and American oak.
