## Take in NYC's iconic skyline at Manhattan's 7 best rooftop bars

New York City's skyline is incomparable and there's no better way to take it in than from a rooftop bar with a Manhattan in hand. So let's raise a glass to the best rooftop bars in [New York City \(NYC\)](#).

### Ophelia's Lounge, Midtown East

You are unlikely to stumble across the Beekman Tower by accident, given its out-of-the-way location in Midtown East, but it's worth making the trek out here just to check out the little gem of a bar on its top storey. [Ophelia Lounge's](#) elegant fit-out is inspired by the building's art deco architecture and includes arched glass panels, fabric in sumptuous shades of red and blue, and black and white tiles. The creative cocktail list is packed with highlights such as the Lower East Side which blends rye, passionfruit, cinnamon and lemon. [opheliany.com](#)
