

Hot cocoa and heated beer gardens

EAT with a view on Friday with crispy truffle fries (known to be the best in the city) as you take in the city skyline and winter decor at Ophelia's rooftop lounge. DRINK festively on Saturday at Loreley's beer garden with boozy hot chocolate and surround yourself with over-the-top holiday garnishes. DO shop around on Sunday at Union Square Holiday market to find the perfect hand-crafted gifts for family and friends.
