

10 Rooftop Bars In NYC With The Best View (& Drinks)

Richly endowed with exceptional restaurants, internationally recognized museums, art galleries, a glaring array of fun, and an amazing shopping experience, visiting New York City is on everyone's bucket list. In addition, it's a perfect destination for a thrilling nightlife.

However, navigating its seemingly infinite presence of bars and restaurants can be overwhelming. Here are the finest rooftop bars with magnificent views.

10 / 10 Ophelia Lounge NYC

Ophelia Lounge is located atop the historic Manhattan building, Beekman Tower. The lounge offers spectacular views of the river plate and Manhattan Skyline. Moreover, the lounge features an amazing artistic interior décor that reflects its rich, storied past. Tourists looking for an exotic nightlife experience can enjoy cocktails at Ophelia's private lounge.
