

## **Fire Pits, Igloos And Blankets: The 11 Best Winter Rooftops In NYC**

The winter weather isn't enough to keep a New Yorker from the city's many rooftops, but some are a little more equipped than others when it comes to battling the season's chill—and we've mapped them out for you!

### **11. Ophelia Lounge, Midtown East**

Instagram/ @opheliany

Take in city views from 26 floors above Manhattan's streets at the gorgeous Ophelia Lounge located at the Beekman Tower. Guests are immediately welcomed with their glittering "snow globe in the sky" installation upon exiting the elevator for a winter surprise like no other
