

✳ SECRET NYC

45 Stunning Rooftop Bars In NYC To Enjoy A Drink This Spring

The warm weather is upon us, and that means rooftop season is approaching! Here's where to climb out of hibernation to enjoy a rooftop cocktail!

All of the elements are finally aligning! The weather is getting warmer, the sun is starting to peak its head, and the [sun is starting to set after 7 pm](#). You know what that means...it's nearly rooftop season! Whether this is your first spring/summer in NYC or your hundredth, you know there's very few satisfying feelings that match up with a rooftop cocktail and a view. As the spring fever hits and the thoughts of summer begin to creep in, we've put together a list of great rooftop bars in NYC to check off your list. From Midtown mainstays to brand new spots, here are some of the best spots go grab a drink! Cheers!
