Inside *Glamour's* 2022 Woman of the Year Awards

Last night, *Glamour* Magazine hosted its annual Woman of The Year Awards, celebrating three decades of honoring some of the world's most inspiring women. 2022's distinguished honorees include actor Angela Bassett, designer and founder of the Fifteen Percent Pledge Aurora James, band and sister-trio HAIM, EGOT-achieving actor, singer and television host Jennifer Hudson, physician and abortion rights activist Dr. Rebecca Gomperts, and gun violence prevention activist and founder of Moms Demand Action Shannon Watts.

The festivities didn't end with the last award. Partygoers enjoyed a glamorous after-party at Ophelia's rooftop nearby.
