

## Shout it from the rooftops: Here's a look at some of the newest, and most beloved, rooftops in New York City to enjoy this summer

Say it loud. No, louder! No, like, screaming-from-the-rooftop loud: It's Rooftop Season! Hopefully, this means you've budgeted enough to last you through the spring and summer for all that New York City's rooftop bars, restaurants, and clubs have to offer its locals and visitors.

Below are rooftop bars you may already know and love, or new spaces that could come with new faces, mostly throughout Manhattan, with some Brooklyn and Queens spots mixed in. While this is by no means an exhaustive list of all the rooftop bars in New York City, it's a jumping-off place, or perhaps places you've already revisited but have since remodeled or been revamped since you've last been.
