

The most romantic bars in NYC

Not to spoil the ending like the last act of a so-so rom-com, but anywhere can be romantic. Glances have been stolen in [dive bars](#), first kisses completed at [rooftop spots](#) and bathroom antics have occurred in some of this town's most august [fine dining](#) destinations. Sometimes, however, you want more of a sure thing, and the most romantic bars in NYC are for those very occasions.

Seduction takes many forms and Ophelia's is as vampy as they come. There's a lot going on in the highly-designed, sumptuous space (watch out for those dizzying checkered floors once you pass two cocktails!), which also has incredible NYC skyline views from its perch 26 floors above land.
