

OPHELIA LOUNGE

10 High-End Rooftop Bars in NYC With Stunning Views and Signature Cocktails

Maria Gracia Santillana | May 14, 2021 | Food & Drink Lifestyle

3 Mitchell Pl. / Website

With views of the East River, this iconic art deco tower was originally a women's-only club. A former muse for NYC's Frank Sinatra, Ophelia exudes class both inside and out. Cocktails at this elegant rooftop bar are incredibly-creative creations that draw on literary references and current events. Named after Shakespeare's Ophelia, the namesake drink features a paradox of flavors, contrast of colors, beauty and honesty. All black with a clear white froth, this drink is the star of the show.
