

# Celebrate New Year's Eve With Exclusive Events, Cocktails & Champagne

New Year's Eve will be one of the big gatherings that will be just like 2019 in a pre-pandemic world and we hope that you enjoy the start of the New Year safely as we get ready to brace ourselves for another COVID wave.

## Ophelia's Early Evening Sunset Soirée + Late Night NYE Bash

Celebrate New Year's Eve in the Snow Globe in the Sky atop the historic Beekman Tower at Ophelia, an Art Deco-inspired cocktail lounge in Midtown. Ophelia is hosting both an Early Evening Sunset Soirée and a Late Night Bash to reign in the New Year while taking in the unobstructed skyline views. Both events will have Hors d'Oeuvres, a live DJ, and all of the accessories needed to celebrate the end of 2021. Tickets for the events start at \$75 and can be purchased [here](#).
