Dear Toby & Anthony,
I wanted to take a moment to let you know how much everyone here at Casio America Inc. enjoyed the amazing Pulled Pork, Beef Brisket and Smoked Chicken at our Summer BBQ. We received so many emails raving about how great the food was! Hot Rod's is awesome!
Thanks again for making our Summer BBQ a huge success!

Hi Toby & Anthony,
I just wanted to contact you to let you know how wonderful everything was. We were so pleased with the food and service. I was a bit overwhelmed with so many people and did not have the opportunity to really express how happy we were to Anthony that evening.
All the guests were very complimentary!!! Great job....we will be certain to use you again and of course recommend you to our friends. I am certain we will be in for dinner soon.
Regards, Chris A. Asbury NJ

Toby & Anthony,
I just wanted to thank you so much for everything. The food was AMAZING as always and the guys, execution, etc. went off without a hitch.
