## • LINDEN VINEYARDS •

*Nestled between Middleburg and Charlottesville, Blue Rock is in a unique location in close proximity to many amazing vineyards and winemakers. Perhaps the most legendary is the “godfather of Virginia wine,” Jim Law. Jim started planting grapes in Virginia and making wine in the early 1980s, and has become one of the foremost experts on its terroir. His mission is to purely express the terroir of each of his vineyard sites while allowing the grapes to show differences from vintage to vintage. Part of his legacy will surely be his willingness to share his expertise and knowledge of Virginia with other grape growers and winemakers, many of whom are now running their own wineries throughout the state. With Linden Vineyards just a short thirty minute country drive down the road, we are thrilled to be able to showcase wines from perhaps the most influential local winemaker in our region.*
