VIRGINIA WINES

Virginia's viticulture is defined by its ancient soils, shifting mountain microclimates, and the uncompromising dedication of its visionaries. Nestled in the foothills of the Blue Ridge, this region has evolved from an emerging frontier into a world-class wine destination, producing bottles of incredible tension, grace, and site-specific character.

This profound evolution was ignited by Jim Law of Linden Vineyards, our region's most uncompromising pioneer, whose decades of meticulous farming set the definitive benchmark for Virginia terroir. His enduring legacy of mentorship echoes powerfully today at estates like Lost Mountain Vineyards. Rooted in steep, rocky hillsides, Lost Mountain is crafting fiercely elegant Bordeaux-style blends that possess a true 'Grand Cru' pedigree. We are immensely proud to pour these local visionaries alongside the great classic estates of the world.
