BRUNCH HACK

Here's the deal ... our orange juice is included with brunch. And bottles of champagne under a \$100 are half price on Sundays. So basically you can get your own "tableside mimosas" for a steal of a deal. You can get approximately five mimosas out of a bottle, so it's a much better deal than ordering a la carte mimosas ... trust us, we've done the math. And if you can't finish the bottle (ha), we'll recork it for you and you can take it home for later. **Win-win.**
