

SERVICE/DELIVERY OPTIONS

Food & Fire can offer the perfect service package to accommodate your event or catering needs. Pricing varies depending on service requirements.

Pick-up:

Meet us at the restaurant and we'll load you up with your specially prepared order in disposable, insulated serving pans.

Delivery:

Please provide a 48-hour advance notice and a 30 minute delivery window. A Food & Fire professional will deliver your order and all included items and set you up for a perfect self-service experience. There is a limited delivery area. **\$150 minimum order. A 10% service fee will be applied.**

Full Service Catering:

Our Food & Fire Culinary Team will meet with you to craft the perfect catering option for any event. Many large events will require 30 days or more to secure proper permits, arrange for rental items, and allow for proper planning. Not available for BBQ Sandwich/Lunch Packages. **\$500 minimum order. A 20%+ service fee (\$150/minimum) will be applied.**

Food & Fire prepares all dishes from scratch and our authentic BBQ is cooked "low and slow" for up to 16 hours. We don't take any shortcuts. We may require 48 hours or more for some items and large orders. Please check with our culinary team/catering specialist for details.

Please note that additional service or delivery fees may apply. Total cost may also be adjusted if rental items or special equipment is required.
