# RAMEN MENU

## RAMEN

The Shio, Shoyu, Mugi-miso, and Spicy miso come standard with our egg-based noodles and topped with garlic, onions, bean sprouts, ground pork, chashu, nori, and scallions. The Veggie ramen comes with our egg-free noodles, making it vegan friendly, and topped with wok charred assorted vegetables. Please inform your server of any food allergies or dietary restrictions. Due to our small kitchens, there may be a high risk of cross contamination.

### MUGI-MISO 16.50

Our barley miso that is used in this ramen has bright, savory aromatics and is lighter than traditional miso ramen. Miso ramen is native to Sapporo Japan.

### SHIO 15.75

This ramen most shows off the unique nuance of our Chintan stock. It is our most delicate and aromatic ramen.

### SHOYU 16.25

In keeping with the Sapporo ramen tradition, we use a very dark rich soy sauce and toasted garlic that lends slight caramel tones and deeper depth of flavor. Topped with half an egg along with the standard toppings.

### SPICY MISO 16.75

Our spicy miso ramen broth has balance, depth, and complexity. Not overly spicy but just right.
