# The Pop Shop Caters!

There was a time when the local soda fountain was the cornerstone of every town's Main Street. The soda fountain shop was the place to swap stories, share a sundae, and for a lucky few, get discovered by Hollywood.

Almost a half century later, the soda fountain has been reinvented as The Pop Shop.

Specializing in American comfort cuisine that's creatively distinct, The Pop Shop is your neighborhood soda fountain and more! The Pop Shop's moderately-priced menu offers a quirky collection of modern American comfort foods. The Pop Shop calls to mind the main street soda fountains era with its retro décor, real 1950's soda counter, bubble gum colors, and original tin ceiling.

## Have You Heard About Our Private Party Room?

The Pop Shop's Party Room comfortably accommodates up to 100 guests for a cocktail party or 85 for seated events or can be happily used for three smaller parties at the same time. Whether you are looking for a business breakfast or lunch, a birthday celebration for kids or adults, or a full blown party or reception, The Pop Shop party room is a fun place to be. It includes trademark Pop Shop touches including a working soda fountain, bubble gum colors, and retro seating.

Birthday parties, rehearsal dinners, showers, Bar Mitzvahs, First Communion, baptisms, graduation parties, business luncheons, seminars, and many other special occasions are a perfect fit.

There's plenty of dining options, too! Your guests may order from our restaurant menu or enjoy a prix fixe menu of your choosing. Or let us create a buffet or cocktail party menu that you'll always remember!
