

# CERVO'S IS LOOKING FOR LINE COOKS TO JOIN OUR TEAM!

Cervo's is a neighborhood restaurant committed to being a workplace rooted in our shared responsibility and opportunity to build care and dignity for everyone on this team. We know focusing on care for each other helps us work in service of our goal of delivering high quality hospitality, food and drink to everyone who comes to visit us. Our menu is inspired by seafood and wine from the coastal regions of Portugal and Spain.

In the kitchen, we're looking for someone who loves to learn, work collaboratively as part of team, and is passionate about cooking and can bring honest communication and cooperative problem solving to work in a high volume environment.

If you love the nightlife, if you want a challenge, if you love this neighborhood, if you like your food garlicky and working with fresh, sustainable seafood, if you like your cocktails classic, if you want to work with a wine list that's fun and natural, if you're looking to be part of a team that's building the muscle to be direct with feedback and generous with trust, if a goal makes you hungry, if warmth is your top priority and respect is non-negotiable, if you want to be accountable to each other and if you like blowing people's minds with really good drinks, food and vibes... we think this might be for you. Full time and part time positions available.

We're proud to be an Equal Opportunity Employer. We value a diverse workplace that strongly encourages BIPOC, LGBTQIA+ individuals, women, people with disabilities, members of ethnic minorities, foreign-born residents, and veterans to apply.

We don't tolerate any form of harassment or discrimination with respect to race, religion, color, social or ethnic origin, sex, pregnancy (including childbirth and related medical conditions), age, physical, disability, sexual orientation, gender identity and/or expression, marital status, veteran status, or any other status protected by local, state, or federal laws.
