

# Thank you so much, Chicagoland!

With the greathearted generosity of our loyal guests, friends, and family to our **Nourishment for Nurses** fundraising campaign and our meal-matching commitment, Francesca's Restaurant Group was able to donate **over 2900 home-cooked meals** to frontline workers across the Chicagoland area—from Frankfort to Naperville to Northbrook to Chicago and everywhere in between.

We will continuously be devoted to giving back to the healthcare heroes—through our Italian home-cooking and hospitality. From the bottom of our hearts, we are eternally grateful.
