

RESTED

AS LONG AS THERE HAVE BEEN BARRELS, THERE HAVE BEEN SPIRITS IN THEM. TIME SPENT IN A BARREL GIVES SPIRITS TIME TO RELAX. TIME TO BE THEMSELVES FOR A WHILE. THEN BECOME SOMETHING ELSE. AFTER HAVING FLAVORS AND NOTES PAINSTAKINGLY EXTRACTED FROM NATURE, BARREL REST ALLOWS SPIRITS TO REUNITE. REACQUAINT. AND RECOMBINE WITH THE WOOD, THE FLAME, AND ALL SPIRITS THAT USED THE BARREL FIRST. SOME OF OUR FIRST MIXOLOGISTS WERE THE BRILLIANT AND LIKELY UNKNOWING FOLKS TO PUT WINE INTO A WHISKEY BARREL, OR WHISKEY INTO A WINE BARREL. ALL OF THE SPIRITS HERE ARE WELL RESTED, AND QUITE DIFFERENT THAN BEFORE THEIR TIME IN A WHISKEY BARREL.

DISTILLED
