

New York Restaurants August 2025: Where To Go

RESTAURANTS

Mezze on the River

375 South End Ave., Battery Park City (Tel.: 212-432-1451)

Waterfront dining is on two outside terraces or inside, all with views across the Hudson of the Garden State. The cuisine is Mediterranean-inspired. Among the starters are a tasty watermelon and kale salad and a Greek salad. The main menu ranges from a roasted chicken that would be at home in any bistro to a spicy grilled lamb kebab that would do any restaurant in the Subcontinent proud, as well as steaks and burgers. There are also fish and seafood dishes as well as various pastas. There are four desserts, including baklava, but the warm chocolate molten cake with vanilla ice cream and chocolate sauce is the winner.
