

Web Accessibility Statement

Updated: March 12, 2020

General

The Stand, LLC. Is committed to facilitating and improving the accessibility and usability of its website(s). The Stand strives to ensure that its website services and content are accessible to persons with disabilities, including users of screen reader technology. To accomplish this, The Stand and it's Website Developer (Bentobox) has engaged AudioEye, a leading web accessibility/usability tool to help test, remediate and maintain our websites in-line with the technical standards of the Web Content Accessibility Guidelines (WCAG) developed by the World Wide Web Consortium Web Accessibility Initiative, which also brings the websites into technical conformance with the American with Disabilities Act of 1990.

Contact Us

If, at any time, you have specific questions or concerns about the accessibility or usability of any particular web page on this website, please contact the AudioEye Help Desk found on the AudioEye Tool Bar on the right of our website. For further questions you can also reach out by email at privacy@thestand.com and we will make all reasonable efforts to make our website or the information contained therein accessible to you.
