

BIRCHWOOD CAFE

Community Room Event Space

Built during our remodel in 2013, the Birchwood Cafe Community Room is one of the newest additions to the restaurant and is the perfect location for your next event. With concrete flooring, birch bark detailing and rotating local art, our relaxed space is a favorite gathering place among our community members. The room has the versatility to accommodate several event styles, from seated meals and cocktail receptions, to meetings and film showings, and features amenities such as temperature control, customizable music and a fully-equipped A/V system. With exceptional Birchwood Service from the moment you begin planning to the day of your event, our coordinators, chefs, and servers will help you host a truly memorable time.
