

History in my opinion, is such an important thing; it reminds us where we come from, questions why we are here and determines where we are going. Without history we have no comparison, we are obsolete. This journey has the objective to write our history, with inspirational food from my **ORIGINS**; remembering the past with **TRADITIONS**; sharing my professional experience and **SAVOIR FAIRE**; through to the finale and cheering my **HERITAGE**.

Avocado ceviche / Carabinero / Pine nuts

Suggestion of : MONO Special caviar selection 10g

-

Quinoa sourdough / Eva Aguilera 100% Arbequina olive oil
