OUR STORY

Tasty Burger is committed to serving the freshest, most wholesome, and best tasting beef possible. We have visited the pastures of the family ranches where our cattle graze to get a firsthand understanding of where great beef comes from. The steers are grass fed and finished on a 100% vegetarian grass and grain diet, for a uniquely savory steak flavor. Our all-natural buns are made just for us by a bakery that has been in business for more than 100 years. Our turkey, chicken and veggie patties are all proprietary, made for us -- just like our nuggets. Our sauces are made fresh and from scratch, using our very own recipes. We care about giving our customers the best experience we can, so please let us know if there is anything you need. We love what we do and hope you will too. Thank you for trying us.
