

Cabin Dinners have been a fixture at Simply since day one. I came up with the name because it sounds homey and Adirondacky. It is basically good, fresh, home cooked food. I like to call it clean food, like what I make at home when I cook for my family. We have so many requests for group dinners that we've developed this Cabin Dinner Menu, featuring some of our most popular meals. Bon Appetite! Holly

Appetizers

Shrimp Cocktail 16-18 wild white shrimp . cocktail sauce . lemon \$40 _____
