FIFTY-FOUR

steak & cellar

Our goal in creating this wine list was, in large part, an effort at nurturing a living thing. These wines vary greatly in varietal, vintage, and location. And although its complexity reflects the very nature of this unique artform, the simplicity of our goal, however, was straightforward: to offer something that would complement "the respect of the perfect ingredient-naked."

Within these pages, you will find the arduous work of so many vintners and artists who have committed their lives to creating something meaningful and transcendent. My humble role in this process has been to choose the salient players and make them available to you, in the hope that they complete your experience in full.

Enjoy!

-Franchesca Thepenier

Sommelier

"There is nothing like wine for conjuring up feelings of contentment and goodwill. It is less of a drink than an experience, an evocation, a spirit. It produces sensations that defy description."

-Thomas Conklin
