Maple Pie by

# M.Wells

**Reheating Instructions**

Maple Pie is delivered fully cooked and frozen. To serve, defrost at room temperature for two hours. Before serving, flash heat in a 350 degree oven for 10 minutes, or until warmed through. Excellent with a scoop of ice cream.

**Ingredients**

Crust: Butter, flour, salt
Filling: Flour, butter, maple syrup, heavy cream, eggs, and salt

*Note: Maple pie is completely cooked. Pie comes frozen, keep in freezer well wrapped for up to 3 months.*
