Corporate Dining Program*

## About the Golden Steer Steakhouse

The Golden Steer Steakhouse was founded in 1958. In our infancy, we were a small restaurant with a bar and dining room. Frank Sinatra, Dean Martin and Sammy Davis Jr. were but a few of our regular customers.

Since the beginning, the Golden Steer Steakhouse has prided itself on serving USDA Prime Aged, Corn-Fed Beef. The Golden Steer Steakhouse is also known for our many famous and infamous customers such as: Tony “The Ant” Spilotro, Natalie Wood, Al Hirt, Nat “King” Cole, Joe DiMaggio, Elvis Presley and Mario Andretti, just to name a few.

Some of our staff members have been with us for over 35 years. Which has allowed the Golden Steer Steakhouse to remain one of the best restaurants in the City of Las Vegas. We have long earned our reputation of “The Best Steaks On Earth” as recognized by the September 2009 issue of Bon Appétit Magazine.

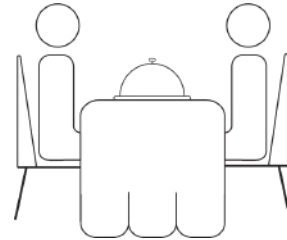

# HOW IT WORKS

Send your team member to the Golden Steer to say thank you and have the dinner covered by your corporate expense account. Your employees will feel special and you get to do something unique!

Our Corporate dining program is designed to help support business participation in motivating and rewarding people within their organizations that are valued.

**STEP  
01**

We offer a wide variety of offerings; we are happy to send to you our full menu and wine list or create a personal menu for your guest.

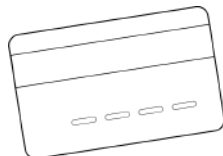

We offer additional choices to make the experience even more special for your guest by adding either a beautiful rose bouquet to be placed on the table or a select bottle of wine to either enjoy with dinner or as a gift to take home.

**STEP  
02**

Once you have decided the details for your guest, we will send you a contract detailing all the specifics for the event. You may also have a standing menu and selection for all corporate dining guests. This may include a dollar amount cap, alcohol or no alcohol included with dinner.

When choosing to participate in our Corporate Dining Program we will send out a Credit Card authorization to be kept in a secure digital file to be utilized for all guest reservations made by you and or your company.
