THE MARGARITA MYTH

A CONTROVERSIAL BEGINNING

The **"Original Margarita"** was invented in Acapulco in 1948 by Margarita Sames who loved the party life. One evening Mrs. Sames concocted up "the drink" which came to be known as the "Margarita". Over the years, her potent recipe has been lost. In keeping with La Cabana's reputation of authenticity, we proudly present

THE ORIGINAL MARGARITA

Made with **Hornitos Silver Tequila**, COINTREAU and fresh squeezed lime. 19.00
Makes three drinks and the shaker is yours to keep.
