

SANDWICHES • SALADS • SOUPS • COFFEE • TEA • SMOOTHIES

Since 1995, we've been keeping it local with creative, healthy food and socially conscious coffees. Seven days a week we serve up creative comfort food using fresh, honest ingredients from around the southeast. We roast our own coffee in small batches, bake our breads and pastries in house and make our soups from scratch every day. We're also proud to serve the best of what we don't make in house like Ghirardelli chocolate, Boar's Head meats & cheeses and local honey from Colston HoneyBee Farm. New Moon is an innovative culinary family fueled by community and a passion for bringing people together over great food and the perfect cup of coffee. Thanks for being here!
