

## NYC Mother's Day Brunch Spots

It's almost Mother's Day and I, myself, have been looking around for some great brunch spots in the city. There are so many things that go into booking a restaurant for Mother's Day- we have to think about whether or not they can accommodate the amount of people coming, the type of cuisine, location and price point sometimes. Let's be honest, we all want to make sure we are having a great meal for such a special day.

### *Industry Kitchen*

Located in The Seaport District, this waterfront restaurant has some great Mother's Day specials to enjoy! These include Prosciutto di Parma, Poached White Asparagus, Maine Lobster & Corn Risotto, White Chocolate Mousse Tart. I don't know about you, but that sounds outstanding to me! Of course, they have a plethora of options such as salads and pizzas to enjoy, as well. There's something there for everyone to enjoy, including the views! To be safe, I'd book a [reservation](#)!
