Pearl & Ash Announces New Chef; The Wayfarer Reveals Fall Menu

Who will be Pearl & Ash's new executive chef, and what can diners find on The Wayfarer's fall-inspired menu? That and more in this week's dining news....

Head to Industry Kitchen for Brunch

While the days of al-fresco dining are numbered at Industry Kitchen, the atmosphere and views are still good reasons to spend an especially long and lazy brunch here. Chef Sean Chudoba serves up contemporary American dishes, including brunch offerings full of autumnal favorites like sweet potato gnocchi and rosemary chicken pot pie. *70 South St., 212-487-9600*
