CARVERY KITCHEN

About Us *The Deli*

Carvery Kitchen is your neighborhood deli family owned and operated using top quality meats and ingredients which are unprocessed.

Our produce is locally sourced and organic whenever possible. Our bread is baked daily in house, but the real rub is in the meat that we serve. Our Chef has developed a revolutionary slow roasting technique resulting in the tenderest, juiciest, and most delicious cuts of beef brisket, pastrami, turkey, chicken and salmon. Our beef brisket and pastrami is perfectly crafted from a “secret” combination of seasonings then roasted for 24 hours.

We utilize the highest quality of USDA prime meats.

- No processed meats.
- No preservatives.
- No hormones.
- and we say NO to GMO's.
-

You won't find a single cold cut at our deli because our meat is all handcarved in-house to order.

From breakfast selections, lunch options, to delicious dinner selections are all here to make your meetings, parties, events and retreats a hit.

We are able to customize most items to fit all dietary needs. (Gluten free, dairy free, nut free, vegan, etc).
