

# **instructions**

---

## **Nada's Braised Chicken Enchiladas**

**allow 30 minutes**

Preheat oven to 425° & prepare to cook on the middle rack. Remove plastic lid & foil & cook uncovered on a sheet tray for 25-30 minutes. You know your oven best; cook time may vary, but you're looking for golden bubbling cheese & sauce. Remove from oven & garnish with crema, scallions & Nada hot sauce.
