Company

Supplant Muffin Platter by the Half-Dozen or Dozen [n]

\$45 half-dozen | \$85 dozen
assorted flavors

The Supplant Company develops and scales system-wide solutions to the food industry's most systemic problems. Their flagship ingredient for sugar reduction, Supplant™ Sugars from Fiber, is made by upcycling agriculture's most abundant renewable resources (sidestreams like corn cobs, oat hulls, and wheat straw).

Supplant™ has less than half the calories of cane sugar, a low glycemic response compared to glucose, and is prebiotic. These muffins are made with Supplant™ Sugars from Fiber and have 30% less calories and up to 57% less sugar than a regular muffin! They're also prebiotic (good for gut health) and high in fiber.
